

**Welcome to our house service for your  
Real estate, dogs and cats and other small animals**  
**Haushüter**

 is our trademark. We offer this service since more than 22 years in Germany and other Countries. This trademark defines services for you, your home and your animals.

**Specification:**

1. Our employees come to you and your holidays begin, as they live in your home.
2. Our employees will empty your letterbox and note down the date of receipt.
3. They answer the phone and note down the messages.
4. They take care of your animals and each day go for a walk with your dog.
5. They will take good care of your dogs and cats and give the meal at exactly the times you have defined.
6. Our employees water the plants in the house and on the terrace.
7. Once a week they will sweep the sidewalk (also in winter when it is snowing).

Our employees are pensioners, man and/or woman, or couples. They have exactly the specification you require for your property and your pets.

We contracted a personal liability insurance, also an insurance against accident for our staff.

The price for the service is calculated €55.00 incl. tax for each day. Additionally, the travel costs will be invoiced. In the area of “Neuss and Düsseldorf” we calculate once €75.00 incl. tax.

We have a pool of about 200 persons (in the whole country) and therefore we will be able to find the best person suitable for your special task. We will come and visit you before accepting your order instruction and establish extensive checklists which will accompany our employee while he lives in your house and is looking after the animals, plants and the technical facility.

Please ring us! We are no native speakers of your language. However, we speak “with our heart, with hands and feet” and good will. We know the English vocabulary of our services. So don’t worry, try it, and just ring us.
